In line with the consolidation of the abstracts into the Subject Index of Authors the alphabetical listing, Authors of Articles, Reviews, Communications, and Abstracts, has been discontinued from the General Index. An alphabetical listing of authors of journal articles (both those abstracted and those not) appears at the end of each quarterly issue of the *Journal*. Authors of articles can be searched more conveniently online and on disc.

Index of Authors of New Books

This *Index* lists the authors of the books in the March, June, September, and December *Annotated Listing of New Books* by author, alphabetically, with their subject classifications (primary subject first), and "*JEL* numbers." (Note: "R.D." stands for "Related Disciplines.") If a book has more than one author, each name (up to three) is listed separately. Annotations are numbered consecutively by *JEL* number in the *Annotated Listing* section of each issue as follows: March *91–0001* to *91–0314*, June *91–0315* to *91–0714*, September *91–0715* to *91–1021*, and December *91–1022* to *91–1336*.
